

🌟🌟🌟 Day 60 of Our Daily UiPath Q&A Challenge! 🌟🌟🌟

Welcome to Day 60 of our exciting UiPath Q&A Challenge! Each day, we'll be answering one key question to help you master UiPath and revolutionize your automation journey. 🚀

🚫 Question for Today

Explain Title Bar in UiPath Studio?

- Project Name - Title bar contains project name

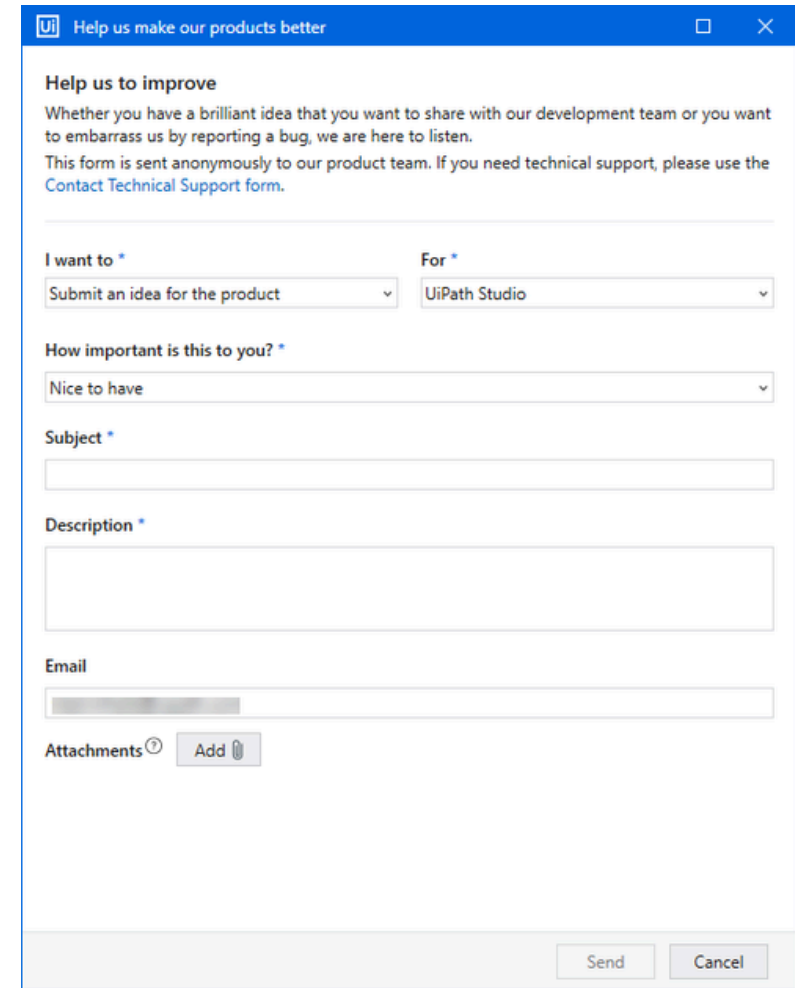

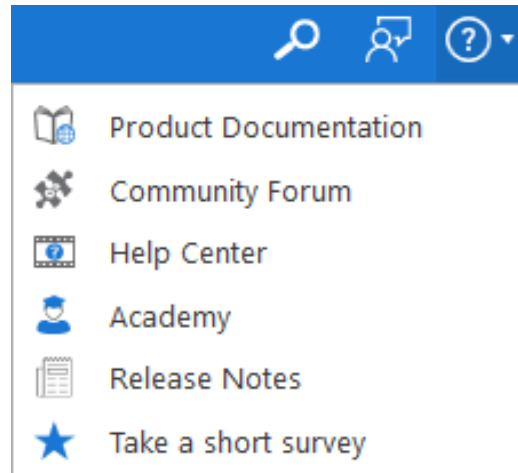

- Send Feedback - There are two types of feedback that you can send directly from within Studio. Submit an idea for the product or Report a bug. Both are accessible from the ribbon by clicking the  icon.

The Send Feedback feature can be used for sending anonymous feedback to the product team, but you can also include your email address to further discuss your feedback. To contact our tech support team, please use the Contact Technical Support form.

-  This icon will open Command Palette.
-  these are the navigation buttons to minimize, maximize and close the studio.
-  The logo with your names initial contains sign-in information

- Help -

Click the Help icon  to quickly access the resources that are also available in the Help tab in Backstage View, as illustrated below:

A screenshot of the 'Help us make our products better' form. The form is titled 'Help us to improve' and includes a brief introduction. It contains several input fields: 'I want to' (a dropdown menu with 'Submit an idea for the product' selected), 'For' (a dropdown menu with 'UiPath Studio' selected), 'How important is this to you?' (a dropdown menu with 'Nice to have' selected), 'Subject' (a text input field), 'Description' (a large text input field), 'Email' (a text input field), and 'Attachments' (a button labeled 'Add'). At the bottom right, there are 'Send' and 'Cancel' buttons.
