

🌟🌟🌟 Day 13 of Our Daily UiPath Q&A Challenge! 🌟🌟🌟

Welcome to Day 13 of our exciting UiPath Q&A Challenge! Each day, we'll be answering one key question to help you master UiPath and revolutionize your automation journey. 🚀

🚫 Question for Today

What are the different states of Queue Item?

✅ Answer

New: The item has been added to the queue but has not yet been processed.

In Progress: The item is currently being processed by a robot.

Failed: The item has been processed but has encountered an error.

Successful: The item has been processed successfully.

Abandoned: The item was set to "In Progress" but was not completed within the defined time frame(approx. 24 hours).

Retried: The item has been retried after failing in a previous attempt.

Deleted: The item has been removed from the queue.
