🌟🌟🌟 Day 36 of Our Daily UiPath Q&A Challenge! 🌟🌟

Welcome to Day 36 of our exciting UiPath Q&A Challenge! Each day, we'll be answering one key question to help you master UiPath and revolutionize your automation journey. 🚀

⛔ Question for Today

What are the Logging levels available in UiPath?

✅ Answer

There are 6 levels of logs available in UiPath.

Critical (Fatal) - All messages logged with Critical level or higher.

Error - All messages logged with Error level or higher.

Warning - All messages logged with Warning or higher.

Information - All messages logged with Information or higher.

Trace - All messages logged with Trace level or higher.

Verbose - All messages logged with Trace level and Workflow Tracking logs. The Verbose level logs a message for both the activity start and end, plus the values of the variables and arguments that are used.

🔔 The priority order of the log types is: Verbose < Trace < Information < Warning < Error < Critical < Off.
